Dear Minister,

***Decision Letter: Request for 2015 Renewal of Gavi support for new vaccines***

I am writing in relation to Moldova's request for renewal for New Vaccines Support (NVS) for Hib-Pentavalent, PCV and Rotavirus vaccines, which was reviewed by Gavi the Gavi High Level Review Panel (HLRP) on 23-25 July 2014.

Following the recommendations made by the Panel, I am pleased to inform you that Gavi has approved Moldova for Gavi support for Hib-Pentavalent, PCV and Rotavirus vaccines support, as specified in the Appendices to this letter.

In order to further improve the impact of the national immunisation program, Moldova is requested to pay special attention to the recommendations and actions indicated in the appraisal report.

Moldova received a Partnership Framework Agreement (PFA) in April 2013. To date, we have not received the signatures of the Ministry of Health and Ministry of Finance on the PFA. Please be advised that Gavi will need to receive the signed PFA before any funding and support to Moldova can be continued.

Gavi will not disburse any graduation grant and will also not consider the Country eligible to apply for the introduction of new vaccines. In the event that there is a need for major revisions and flexibilities for the PFA to be signed, please inform the Gavi Secretariat with official correspondence as to why the PFA cannot be signed, what kind of flexibility or change would be required for signatures and requests and justifications for other deviations.

The Appendices includes the following important information:  
Appendix A: Description of approved Gavi support to Moldova  
Appendix B: Financial and programmatic information per type of support  
Appendix C: Internal Appraisal Report (please see the attached report in email)  
Appendix D: The terms and conditions of Gavi support.

Please do not hesitate to contact my colleague Nilgun Aydogan ([naydogan@gavialliance.org](mailto:naydogan@gavialliance.org)) if you have any questions or concerns.

Yours sincerely,

### Description of Gavi support to Moldova (the “Country”)

#### **New Vaccines Support (NVS)**

Gavi has approved the Country’s request for supply of vaccine doses and related injection safety material which are estimated to be required for the immunization programme as set out in Appendix B. Financing provided by Gavi for vaccines will be in accordance with:

- The Gavi Guidelines governing Moldova’s proposal application; and
- The final proposal as approved by the Independent Review Committee (IRC), including any subsequent clarifications.

The vaccines provided will be used as the country has proposed. The principles of the WHO-UNICEF-UNFPA joint statement on safety of injections (WHO/V&B/99.25) shall apply to all immunisation provided with these vaccines.

Item number 11 of Appendix B summarises the details of the approved Gavi support for vaccines in the years indicated.

Any required taxes, customs, toll or other duties imposed on the importation of vaccines and related supplies can not be paid for using Gavi funds.

The Country shall be solely responsible for any liability that may arise in connection with: (i) the implementation of any programmes in the Country; and (ii) the use or distribution of vaccines and related supplies after title to such supplies has passed to the Country. Gavi shall not be responsible for providing any additional funding to replace any vaccines and related supplies that are, or became, defective or disqualified for whatever reason.

#### ***Country Co-financing***

In accordance with the Gavi Co-financing Policy, the Country has agreed to make the required contribution to co-financing vaccine doses as indicated in Appendix B. Item number 14 of Appendix B summarises the budget and the quantity of supply that will be procured with country’s funds in the corresponding timeframe. The total co-financing amount indicates costs for the vaccines, related injection safety devices (only applicable to intermediate and graduating countries) and freight.

Countries may select to co-finance through UNICEF Supply Division, PAHO’s Revolving Fund, or self-procure their co-financing requirement following their own procedures, except for the Pneumococcal vaccine that needs to be procured through UNICEF.

If the purchase of the co-financed supply is carried out through UNICEF or PAHO, the payment is to be made to UNICEF or PAHO (whichever is applicable) as agreed in the Procurement Services Memorandum of Understanding between UNICEF or agreements between PAHO (whichever is applicable) and the country, and not to Gavi. Please keep in contact with UNICEF or PAHO (whichever is applicable) to understand the availability of the relevant vaccine(s) and to prepare the schedule of deliveries.

The total co-financing amount expressed in item number 14 of Appendix B does not contain costs and fees of the relevant Procurement Agency, such as contingency buffer and handling fees.

Information on these extra costs and fees will be provided by the relevant Procurement Agency as part of the cost estimate to be requested by the country. UNICEF/PAHO will share information with Gavi on the status of purchase of the co-financed supply. In accordance with the Gavi Co-financing Policy (<http://www.gavialliance.org/about/governance/programme-policies/co-financing/>), the co-financing contribution is payable annually to UNICEF/PAHO.

If the purchase of the co-financed supply is carried out by the Government, following its own procurement procedures and not procuring from UNICEF Supply Division or PAHO's Revolving Fund, the Government must submit to Gavi satisfactory evidence that it has purchased its co-financed portion of the vaccines and related supplies, including by submitting purchase orders, invoices, and receipts to Gavi. Gavi encourages that countries self-procuring co-financed products (i.e. auto-disable syringes and syringe and needle disposal boxes) ensure that products appear on the applicable WHO list of pre-qualified products or, for syringe and needle disposal boxes, that they have obtained a certificate of quality issued by a relevant national authority.

**Gavi support will only be provided if the Country complies with the following requirements:**

Transparency and Accountability Policy (TAP): Compliance with any TAP requirements pursuant to the Gavi TAP Policy and the requirements under any Aide Memoire concluded between Gavi and the country.

Financial Statements & External Audits: Compliance with the Gavi requirements relating to financial statements and external audits.

Grant Terms and Conditions: Compliance with Gavi's standard grant terms and conditions (attached in Appendix D).

Country Co-financing: Gavi must receive proof of country co-payment from the Country such as invoices or shipment receipts if neither UNICEF nor PAHO is

the procurement agent for country co-financed vaccine for the prior calendar year.

Monitoring and Annual Progress Reports or equivalent: Country's use of financial support for the introduction of new vaccinations with the vaccine(s) specified in Appendix B is subject to strict performance monitoring. Gavi uses country systems for monitoring and auditing performance and other data sources including WHO/UNICEF immunisation coverage estimates. As part of this process, National Authorities will be requested to monitor and report on the numbers of children immunised and on co-financing of the vaccine.

Country will report on the achievements and request support for the following year in the Annual Progress Report (APR) or equivalent. The APR or equivalent must contain information on the number of children reported to have been vaccinated with DTP3 and 3 doses of pentavalent vaccine by age 12 months, based on district monthly reports reviewed by the Immunisation Coordination Committee (ICC), and as reported to WHO and UNICEF in the annual Joint Reporting Form (JRF). The APRs or equivalent will also contain information on country's compliance with the co-financing arrangements outlined in this letter. APRs or equivalent endorsed by the ICC should be sent to the Gavi Secretariat no later than 15 May every year. Continued funding beyond what is being approved in this letter is conditional upon receipt of satisfactory Annual Progress Reports or equivalent and availability of funds.
