

COO UPDATE

BOARD MEETING

David Marlow

26-27 June 2023, Geneva, Switzerland

Executive Summary

Key Messages

- **Operational Excellence ambition and approach** endorsed by the AFC; presented at Governance Committee and Board Closed Sessions
- **Operational Excellence agenda** continuing at pace while acknowledging need to balance running the business while streamlining operations and improving ways of working; multi-year journey
- Increased **transparency and connectivity between PPC and AFC discussions**; careful sequencing and **sharing of information based on committee mandates**. Additional opportunities for connectivity across multiple committees
- **Financial forecast process strengthened**
 - Launch of **Programme Leadership Team (PLT)**; enhanced cross-functional collaboration and ownership for programmatic drivers impacting financial forecast
 - More detailed and timely **reporting from countries and partners**: greater transparency of cash utilisation and cash balances in-country
- **New draft Balanced Scorecard** providing improved holistic and systematic view of performance with relevant deep dive modules available; will continue to evolve based on feedback and use
- **Review and simplification of key policies** underway; Ethics policy; PSEAH framework; Programme Funding Policy
- **Strategy Operationalisation evaluation**; recommendations on strategy operating model; inform OE work and Gavi 6.0
