

Annex C: Proposed composition of the Alliance Technical Working Group

A technical working group (TWG) to support the development of the Gavi 2026-2030 strategy ("Gavi 6.0") measurement framework will enable the Alliance to identify key performance indicators and targets that the Gavi Board will use for monitoring Alliance progress over strategy period.

The TWG is an advisory body to provide guidance to the Gavi Secretariat on technical issues related to development of the measurement framework. Final decision on indicators and targets to be included in the Gavi 6.0 strategic framework will be made by the Gavi Board.

The TWG shall consist of technical representation from relevant Alliance partners, with the Gavi Secretariat leading and coordinating these efforts. Proposed representation is as follows:

| No. | Institution |
|-----|--|
| 1 | Bill & Melinda Gates Foundation |
| 2 | Country representative – High impact segment |
| 3 | Country representative – Fragile & Conflict segment |
| 4 | Country representative – Core segment |
| 5 | Country representative – Middle Income Country segment |
| 6 | Foreign, Commonwealth, and Development Office |
| 7 | Gavi Civil Society Organisations constituency |
| 8 | Gavi Research & Technical Health Institutes constituency |
| 9 | UNICEF |
| 10 | WHO |
| 11 | World Bank (represented by Global Financing Facility per World Bank request) |
