# Three areas to translate the Gavi LEAP into action

**Gavi LEAP**, grounded in 4 principles

- **Country-centricity**
- **Country sovereignty**
- **Focused mandates**
- **Finite lifespans**

## CEO commitments at the Global Summit

### 1. Gavi's internal reforms

*Focus of discussion*

### 2. Merger at the last mile

### 3. The Global Health Leap

# Gavi already deepening collaboration with other agencies; need to accelerate momentum at the last mile

## Gavi deepening collaboration

## Progress through JCWG

- Three workstreams (Malaria, HSS/RSSH, country engagement)
- Focus on short-term collaboration opportunities
- Scheduled to sunset in September 2025 – *under discussion*

# Step change in Gavi–Global Fund collaboration driven by a joint CEO/ED-led taskforce, expanding on JCWG initiatives

## Two main objectives

Drive greater impact and efficiency at country level and HQ to advance both organisations' missions

Drive more structural options for deeper collaboration
