¹ This is the entire duration of the programme.

² This is the total amount endorsed by Gavi for the entire duration of the programme.

³ This is the amount that Gavi has approved.

16. Operational support for campaigns: Not applicable

17. Additional Reporting Requirements:

	Due dates
<p>To prepare for the annual procurement of vaccines, Country shall submit the following information each year:</p> <ul style="list-style-type: none"> Vaccine stock levels including buffer stock, by end of March; Number of children to be vaccinated, wastage rates, any proposed changes in product, presentation or use, or minimum co-financing levels and vaccines received, by mid-May. Countries shall report the actual switch date in the first renewal request following the actual implementation. 	<p>31 March 2020</p> <p>15 May 2020</p>
In accordance with applicable Gavi processes, Country shall report on programmatic and financial performance.	To be agreed with Gavi Secretariat

18. Financial clarifications: Not applicable

19. Other conditions:

Due to unprecedented demand for IPV and the challenges to scale up production capacities, the global IPV supply remains constrained and is unlikely to meet all country requirements in the short term. As a consequence, the actual presentation and number of doses shipped may differ from those specified in this Decision Letter. In order to mitigate these circumstances, you are strongly encouraged to optimally manage available supply and follow recommendations and guidelines from WHO and UNICEF to reduce vaccine wastage.
