1. Chair’s report

1.1 Finding a quorum of members present, the meeting commenced at 15.28 Geneva time on 1 December 2015. Flavia Bustreo, Governance Committee Chair, chaired the meeting.

1.2 The Chair highlighted that she had identified three priorities for the Governance Committee for 2015, namely recruitment of the new Gavi Board Chair, the initiation of a transparent and enhanced process for the recruitment of Unaffiliated Board members and conclusion of the discussion on the role and composition of the Executive Committee, noting that two of these three had been navigated successfully.

1.3 Standing declarations of interest were tabled to the Committee (Doc 01a in the Committee pack).

1.4 The Committee noted the minutes of its meeting on 17 September 2015 (Doc 01b), which had been approved by no-objection on 9 November 2015.

1.5 The Committee reviewed its forward workplan (Doc 01c).

Discussion

- Governance Committee members noted in particular the planned review of the Statutes, By-Laws and Committee Charters the aim of which at this stage is to correct some anomalies which exist between the different documents and to update the Charters in line with good practices e.g. AFC Charter. The Committee also noted that subject to the findings of the planned Board and Committee self-assessment, a more in-depth review of the Statutes and By-Laws might be necessary.

- In response to questions from Governance Committee members, the Secretariat clarified that it will be within the remit of the Board and Committee self-assessment to clarify the mandates of the Board Committees in particular to resolve what might be perceived as overlapping mandates between different Board Committees.

2. Board and committee member nominations
2.1 The Chair reviewed the recommendations received for Board and committee membership (Doc 02), noting that while there was strong interest and commitment from organisations and constituencies to be part of the Board Committees some of the nominations submitted had exceeded the representation permitted in the Gavi By-Laws.

2.2 The Chair and Philip Armstrong, Director, Governance and Secretary to the Board, provided information on the process for the recruitment of Unaffiliated Board Members, reminding Governance Committee members of the composition of the recruitment subcommittee.

**Discussion**

- Governance Committee members noted that one of the Developing Country constituencies had submitted two nominations for the position of Alternate Board member and that two names had been put forward for the Developing Country representative on the Executive Committee. The Committee considered the nominees and decided to make their recommendation as outlined in Decision One below.

- One member informed the Governance Committee that the donors are currently going through a process of reviewing the way in which donor groupings are comprised, taking into account the fact that there are new donors following the recent replenishment. Once this process is completed, a new set of nominations for Board and Committee representation may be submitted for consideration.

- The Governance Committee noted that the proposed composition of the Programme and Policy Committee is non-compliant with the Committee Charter, in that a majority of Committee members would be Committee Delegates, rather than Board Members/Alternates. The Committee agreed to recommend the composition of the PPC as proposed but that the issue of non-compliance with the Charter on this point should be explored during the Board and Committee self-assessment and/or review of the PPC Committee Charter.

-----

4. **IRC nominations**
4.1 The Committee considered the request to recommend the extension of the terms of Independent Review Committee (IRC) members (Doc 04).

**Decision Three**

The Gavi Governance Committee:

- **Recommended** to the Gavi Board that it extend the terms of the IRC members listed in Annex A of Doc 04 for a further three-year term until March 2019.

5. **Amendments to Committee Charters**

5.1 Philip Armstrong, Director, Governance and Secretary to the Board, presented the proposed amendments to the Audit and Finance Committee (AFC) and Programme and Policy Committee (PPC) Charters in the context of the governance approval process for the Partners’ Engagement Framework (PEF) approved by the Board in June 2015 (Doc 05).

**Decision Four**

The Gavi Governance Committee:

- **Recommended** to the Board that it approve amendments to the Audit and Finance Committee Charter as outlined in Annex A to Doc 05.
- **Recommended** to the Board that it approve amendments to the Programme and Policy Committee Charter as outlined in Annex B to Doc 05.

6.1 Barry Greene, Managing Director, Finance and Operations, presented the actions that would have to be taken by Gavi and the World Bank in order to complete Gavi’s Annual Financial Report (AFR) in time for it to be reviewed and considered for approval by the Gavi Board at its June meeting each year (Doc 06), and asked the Governance Committee for guidance on whether or not this should be further explored.

**Discussion**

- The Governance Committee member from the World Bank indicated to the Committee that at the Audit and Finance Committee meeting on 6 November 2015 their representative had clarified that the World Bank would be happy to take part in discussions on this going forward but that for 2016 the current agreements would continue. She also clarified that contrary to what had been alluded to in Doc 06, discussions had not yet been held with the World Bank on the possibility
of delivery of the IFFIm reporting pack by 15 March and it is therefore not yet possible to say whether or not this would be challenging.

- Governance Committee members cautioned against any new proposed timelines which might impact the disbursement of funding to countries.

- Governance Committee members also cautioned against the possibility of a Gavi Board meeting in September, in view of other significant international events which take place around this time and in these circumstances there was not much support for a change to the current arrangements.

- The Committee suggested that the consequences, including trade-offs, of moving the financial reporting timeline to fit around the existing governance calendar be further analysed particularly in light of the agreements with the World Bank which are due for renewal and negotiation in 2016.

7. **Board Travel Policy**

7.1 Philip Armstrong, Director, Governance and Secretary to the Board, provided a brief update on the implementation of the Board Travel Policy in 2015 (Doc 07). He requested guidance from the Governance Committee on whether or not the policy should be reviewed to provide clarity around ‘exceptions’, in the context of the findings of a recent internal audit.

*Discussion*

- Governance Committee members agreed that it would be appropriate to review the policy to define the nature of exceptions for which additional costs would be borne by Gavi.

- One Committee member suggested that during this review consideration should be given to modifying the policy in relation to rail travel, so that rail travel in economy class only is covered, in particular noting that there were no requests for arrangements to be made for rail travel in either 2014 or 2015.

8. **Executive Committee composition**

8.1 The Chair introduced this item (Doc 08), recognising that while many wished that it would be possible to conclude on this issue before the end of the year, in the context of a year of transition in the Gavi Chair leadership and within the Secretariat governance team and following discussion with the Board Chair and the Board Chair Elect, it is proposed to seek an independent opinion on possible solutions.
8.2 Philip Armstrong, Director, Governance and Secretary to the Board, added that the proposal aims to ensure a conclusion of this matter by the June 2016 Board meeting.

Discussion

- Governance Committee members expressed disappointment that this issue had not yet been resolved and did not agree with the proposal to take this forward through an independent consultant.

- Committee members felt strongly that the solution proposed to the Board in June 2015 should be resubmitted to the Board at its meeting the next day for consideration. In this context the Chair indicated that she would discuss this with the Board Chair and Board Chair Elect, and representatives of the multilateral organisations would also have a discussion to consider a possible compromise in relation to their own representation, which at the moment proposes two seats for the three organisations (as is already the case).

9. Review of decisions

9.1 Philip Armstrong reviewed and agreed the language of the decisions with the Committee.

9.2 The Chair referred to a letter which had been sent to the Board Chair by the Civil Society Organisation (CSO) constituency and which had been tabled to this meeting by the CSO representative. The letter requested a seat for the constituency on the Executive Committee, a second seat on the Gavi Board and a request that independent observers should be allowed to attend Committee meetings. Governance Committee members noted that this request would be considered more formally at their next meeting.

9.3 After determining there was no further business, the meeting was brought to a close.
