In September 2014 Gavi approved an additional US$ 237,350 to cover for the unanticipated costs of channelling funds via WHO and UNICEF. Gavi will therefore disburse US$ 372,000 in total.

12. Financial Clarifications: The Country shall provide the following clarifications to Gavi\(^4\):

If the bank account information most recently provided to Gavi has changed or changes prior to disbursement, the country will need to complete a bank account information form. Please contact gavihss@gavi.org for the form.

Until all Financial Management Requirements are complied by country, this and future cash grant disbursements will be channelled through Gavi Alliance partners to be identified by country.

13. Documents to be delivered for future HSS cash disbursements:

The Country shall deliver the following documents by the specified due dates as part of the conditions for approval and disbursements of the future Annual Amounts.

Unless stated otherwise in the existing Aide Memoire between Gavi and the Country, the Country shall deliver interim unaudited financial reports on the HSS cash support no later than 45 days after the end of each 6-month reporting period (15 February for the period covering 1 January – 31 December and 15 August for the period covering 1 January – 30 June). Failure to submit timely reports may affect future funding.</td>
<td>15 February and 15 August</td>
</tr>
</tbody>

\(^2\) This is the total amount endorsed by Gavi for the entire duration of the programme. This should be equal to the total of all sums in the table.

\(^3\) This is the amount approved by Gavi.

\(^4\) Failure to provide the financial clarifications requested may result in Gavi withholding further disbursements.
14. **Other conditions: The following terms and conditions shall apply to HSS support.**

Cash disbursed under HSS support may not be used to meet Gavi’s requirements to co-finance vaccine purchases.

In case the Country wishes to alter the disbursement schedule over the course of the HSS programme, this must be highlighted and justified in the APR, or equivalent, and will be subject to Gavi approval. It is essential that Country’s Health Sector Coordination Committee (or its equivalent) be involved with this process both in its technical process function and its support during implementation and monitoring of the HSS programme proposal. Utilisation of Gavi support stated in this letter will be subject to performance monitoring.

15. **Other conditions: The following terms and conditions shall apply to performance payments.**

Neither programmed nor performance payments may be used to purchase vaccines or meet Gavi’s requirements to co-finance vaccine purchases, and shall not be used to pay any taxes, customs, duties, toll or other charges imposed on the importation of vaccines and related supplies.
