17. **Financial Requirements:**

Gambia is expected to apply for new HSS grant late 2014. Until the new FMA is agreed, the VIG will be disbursed through UNICEF.

18. **Other conditions:**

If The Gambia envisages a switch in product presentation, it is encouraged to incorporate elements for both IPV presentations in your initial introduction preparations, in order to minimise the need for later interventions and facilitate the switch. In those circumstances, in principle, no product switch grant will be provided to The Gambia.
