Dear Minister,

Re: Approval of Pneumococcal Vaccine Support for India

We are writing in relation to India’s application to Gavi, the Vaccine Alliance, for Pneumococcal Vaccine (PCV) support, which was submitted to the Gavi Secretariat in May 2016.

In line with the provisions stated in the recently signed Annex 6 of the Partnership Framework Agreement (PFA), the application was reviewed in country by an independent expert review team, who made recommendations to the country regarding the proposed implementation plans. Following receipt of satisfactory responses to these recommendations, we are pleased to inform you that Gavi has approved India’s application for PCV support, as per the following Decision Letter.

The Decision Letter states that Gavi will commit $180 million for PCV support, out of a total of $500 million for the period 2016 – 2021, as provided under Annex 6 of the PFA.

We note that the Gavi Board’s decision to provide catalytic support for India’s PCV programme is subject to the provisions of Annex 6 of the PFA, in particular the commitments of the Government of India to fund additional costs required as well as scale-up of the programme, and to implement the programme as set out in the approved performance framework.

Please do not hesitate to contact the Senior Country Manager for India, Carol Szeto (cszeto@gavi.org), if you have any questions or concerns.

We remain at your disposal for any further enquiry.

Yours sincerely,

Hind Khatib-Othman
